# Message From Our Executive Director

*Greetings Community Investors!*

YOUR UNITED WAY is fulfilling its mission – *to unite people, resources, and organizations to improve lives in Washington County* – because of supporters like you. **Thank you!**

In this FY2022-23 Annual Report, you will see how YOUR UNITED WAY, the United Way of Washington County's presence in the Washington County community is making an impact.

You will learn about YOUR UNITED WAY's **new** Veterans United Fund that has been created, and will be incorporated within its Community Impact Fund, to aid local veterans.

You will learn about YOUR UNITED WAY's **new** Volunteer Connection Website, a website that is helping the nonprofit community in Washington County to find volunteers to aid them in their organization's mission.

You will learn about YOUR UNITED WAY's **new** mascot, Telli, who is helping to spread the word about 211, the United Way's resource helpline that operates 24/7.

In addition to these new initiatives during FY2022-23, YOUR UNITED WAY supported 43 local Programs through its Community Impact Fund with the generous support of its donors. YOUR UNITED WAY continued to recognize supporters of the campaign and the community-at-large at the annual Campaign Celebration. YOUR UNITED WAY ensured that the funds available through FEMA's Emergency Food and Shelter Program are administered locally.

YOUR UNITED WAY's Community Investment resulted in a total of \$298,846 reinvested in 43 local programs in education, financial stability, and health, including the four Veterans Programs. The amount of \$84,978 was raised and redistributed as directed by donor designations. The remaining amount of \$96,944 was distributed to other United Ways' specific programs.

We are forever thankful for those who support YOUR UNITED WAY – whether those who are long term and/or new partners – Workplace Giving Campaign Partners, individual and corporate donors, volunteers, sponsors, and Impact Circle Members.

On behalf of the United Way of Washington County Board of Directors and Admin Team, and most importantly, those neighbors who benefit from your generosity, thank you for your continued commitment allowing YOUR UNITED WAY to proudly serve the Washington County community for over 98 years.

With gratitude,

*P. Ann Hrabik*

# Veterans United Funded Programs

The United Way of Washington County (UWWC) would like to recognize Range Resources for its commitment to our community veterans and for taking the lead to establish the new Veterans United Fund with its initial donation, which was made possible through funds raised through Range's annual charity events. UWWC is pleased to award \$42,341 to four Veterans Programs/Projects in its inaugural grant year (2023). The following nonprofits received a one-year grant to fund their programs/projects:

**Life Changing Service Dogs for Veterans, Inc.'s Veterans Multimedia Awareness Promotional Project - \$15,000** To save the lives of Veterans by enhancing awareness among the veteran and civilian public of the life changing role and function medical service dogs can play in saving and restoring the lives of our Veterans.

**Washington Cemetery's Soldiers Road Repair Project - \$10,000** To stabilize the road going around its veterans' section to the Vietnam Wall Memorial for visitation and safety of those visiting. It allows for those visiting fellow veterans access to their final resting place along with the visitation of its Vietnam War Memorial which recognizes those from Washington County that served.

**Washington Area Humane Society's Pets for the U.S. Vets Program - \$2,341** To unite rescue pets with veterans; promote good mental and physical health through pet ownership; reduce veterans' feelings of isolation; and financially aids veterans in our county through free pet adoptions. After the adoption, the positive effects of having a pet resonate for years to come.

**Washington City Mission's Veterans Plus Program - \$15,000** To provide veterans with an extensive array of wraparound services to address every aspect of homelessness, providing the veterans with the opportunity to transform their lives to independence. This program provides homeless veterans with the opportunity to move their lives from homelessness to independent living.

# Volunteer Connection

The United Way of Washington County launched its new volunteer platform, Volunteer Connection, on Thursday, April 13, 2023 with recognition to Range Resources Corporation as the Presenting Sponsor.

Volunteer Connection is a revolutionary web-based platform that helps nonprofits find and pair volunteers with the right opportunities in Washington County at no cost. This platform will build capacity and drive efficiency for local nonprofits as they look to connect with volunteers. The site offers community members, corporations or organizations looking to volunteer, one centralized location to quickly search for opportunities. Volunteer Connection will alert volunteers of new opportunities based on their self-identified interests and fanned nonprofits. Tracking volunteer time is simple, as the site enables volunteers and nonprofits to export several different kinds of reports. Schools, community groups, non-profit agencies and local businesses can easily respond to meet their goals of engagement and giving back to the community.
